COUNTY COMMITTEE MEETING

Friday, the committeemen from various parts of the county, assembled at the Court House to organize the committee by selecting a chairman, secretary and treasurer. First they were taken to the Avenue Hotel where they were dined by the candidates. About thirty-four out of the forty-seven committeemen were present. After dinner they proceeded to the Court House where they were called to order by Chairman C. C. Fisher and on call for nominations for chairman, C. C. Fisher and C. C. Leech were nominated. Fisher won over Leech by 8 votes. Quite a few supported Mr. Leech believing it to be the best interest of the party that new life be injected into the organization by selecting new men but the committee thought the present organization good enough and we bow to their judgement and all will work in perfect harmony for the success of the ticket.

Robt. Campbell was re-elected secretary over G. M. Fuller by a majority of 8, and F. A. Lane was elected treasurer without opposition.

ANADARKO CITY SCHOOLS

It seems useless to remark on Superintendent W. H. Bishop's principles, qualification and education but just to put before the people what has been secured as educators, the following is truthfully said: Mr. Bishop is a gentleman in every respect, a good citizen and a firm believer in progression. He never fails to take up the life intentions of his pupil, giving them advice and assistance in every way possible.

His higher education was secured in the Warrensburg State Normal and the University of Missouri. He has had training in every department of public school work. For fifteen years he has been a constant school workers. The past six years have been spent in Oklahoma as city superintendent.

Principal of the High School F. A. Balyeat, graduate of the Edmond State Normal and University of Oklahoma will teach English. Miss May Overstreet, graduate of the Emporia, Kansas State Normal will teach history. Miss Florence Klaus, graduate of the Cornell University of Wisconsin will teach science and mathematics. Miss Elizabeth Eagleton, graduate of the University of Oklahoma will teach latin and german. Miss Vera Fleck of the University of Nebraska and Nebraska School of Business will have charge of the commercial department.

According to the records no school in the state has better prospects for a first class school for the years 1914-15 than has Anadarko.

COMMERCIAL CLUB MEETING

At the commercial club meeting, Friday evening, the business men took up the question of cotton conditions. Arrangements were made with A. G. Fulkerson for bonded yardage. The principle object now is to find out whether or not the local bankers and business men will take steps in the handling of the cotton crop for the vicinity. Mr. Fulkerson agreed to furnish the bonded yardage in case necessity required it.

I. E. Cox thought the step somewhat previous on account of the step now being taken by the government to assist the local men in taking care of the cotton and that this report has not been made. The business men believe it well to get the government report as soon as possible and then act accordingly. This looks like the farmer will be able to sell his cotton without trouble.

For Sale—Some dandy Barred Rock Cookerels cheap if taken now. Also a few Pullets. 116 East Central Boulevard, phone 100.
